Brief Description of Arguments to be Presented:

The cited references are NOT analogous, because 'eigensolution' is just a commonly used mathematical procedure in many fields.

For example, electronics, optics, mechanical systems. Since the 'eigensolution' does NOT pertain to the claims of instant application,

and the cited references, Applicants respectfully submit that there is no motivation to combine cited references.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
